

License

All of our free and premium files are available for personal use. Commercial use is allowed as long as the file is incorporated into a project and not sold as is. This includes selling the file as a digital download, die cut, printed format or as part of a kit. The file must be fully cut or printed and assembled in a card, layout or other paper project project.

Premium Files

Premium files are for use by the original purchaser only. Please do not share our premium files with anyone.

Free Files

Feel free to link to our page containing the free downloads but please do not offer them on any other websites. Attribution is appreciated but not required.
